BUS DRIVERS AND CUSTODIANS

Bus Drivers and Custodians have to be the most patient, unnerved people who submit themselves to the myriad of students each day. These hard-working people do their best at "keeping their cool". We would like to extend our appreciation to these diligent workers.

LIFE AT ATWATER HIGH

. . . is a conglomeration of ideas and ideals, races intermingled with an atmosphere of brotherhood, laughter and friendly intercourse enveloping Falcon Hall, the silent solitude that is synonymous with the library resulting from the polite but insistent persuasion of Mrs. Bouilly, the tall image of Mr. Groves lurking in the shadows, Miss Starr with the ruler seeking out the minis, the brain-storming minds of the students devising plans of eluding school, the spirit and good-will that hovers over each and everyone, Mr. Darby walking the sidewalks with his briefcase tagging behind him, the Rally members eagerly anticipating their duties as the "big" game approaches, and perhaps most important of all, the understanding and concern which is prevalent in the attitude of our principal, Mr. King.

(Robey Lizama)

OFFICE STAFF

Mrs. Thompson, Mrs. Ward, Mrs. DeWing, Mrs. Poptanich, Mrs. Schaefer, Mrs. VanPatten, (not pictured: Mrs. Chisolm)

Behind the scenes with the least glory of all are the diligent members of "The Office". It is to this omniscient building that every student eventually wanders--whether to "visit" the principal or obtain a permission slip for a rooter's bus. Each day such tedious tasks are performed as counting tardies, sorting mail and running errands.

Breaks in daily routines include sitting around gossiping, taking calls on the switchboard and sneaking candy in between periods.

Mrs. Scheafer is often busy handing out purchase orders. Mrs. Poptanich is busy helping Mr. King out as best she can. Mrs. Thompson is usually checking on the absents??? Mrs. Chisolm does a lot of work on the report cards and Mrs. Van Patten is always kept busy by the "never ending" telephone calls. Mrs. DeWing is always ready to help with the hard strenuous work given by all the other secretaries.

These are only one of the main jobs these ladies do---and don't they do it well?

CAFETERIA STAFF

The students of Atwater High School would like to sincerely thank the hard-working Cafeteria Staff for their earnest work. These ladies have given their time and effort to supply the students--three times a day, five days a week-- with a nourishing meal. Excellent work!

"Not of the letter, but of the spirit; for the letter killeth, but the spirit giveth life."

(II Corinthians)

This, indeed, pertains to the work of the Rally Committee. Rally incorporates the spirit of all and combines it into a unifying force which gives the school, itself, an atmosphere of life and one of caring. Without the necessary element--spirit-- Atwater High would be dead and a place of monotonous boredom.

VARSITY FOOTBALL

Football at Atwater High means a lot to everyone. It is to us the most exciting sport of the year because the Falcon Fans have had the summer to recuperate and return in full force. The crisp autumn air adds to the excitement and boosts the team's spirit. This year the Varsity Football team is composed of some excellent athletes. . . young athletes who have fulfilled their obligation to the school with an exciting season.

VARSITY CHEER LEADERS

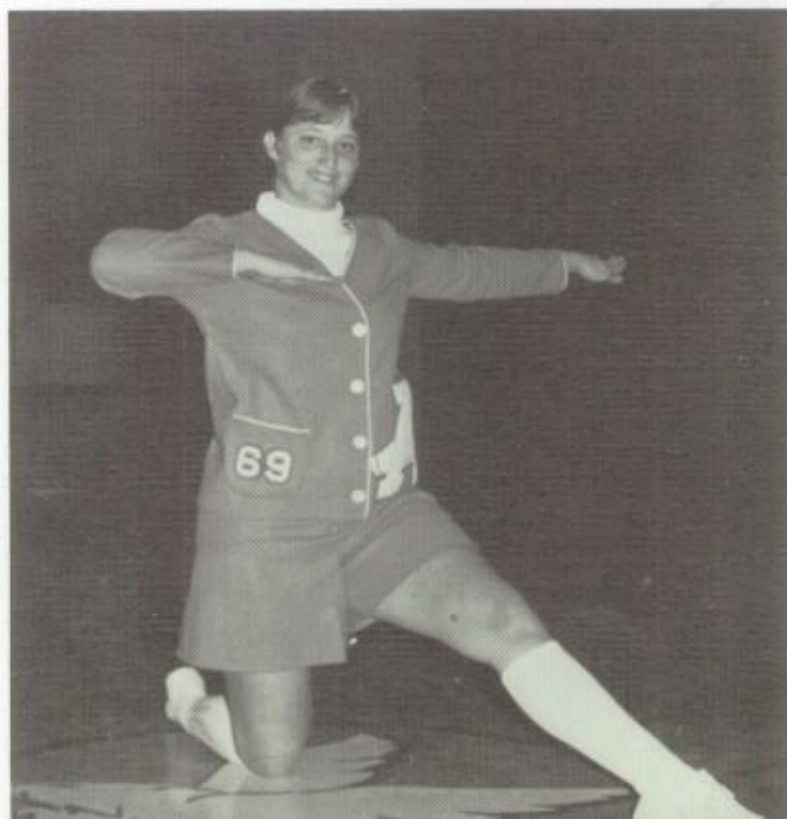

As the school year rolls around again, the interest of the student body at A.H.S. focuses on the season's athletic competitions. Happily, September marks the return, too, of the sports fields' heroines'—The Cheerleaders!!!

This year the Varsity Cheerleaders include: Barbie Beseler, (head for football), Carol Rueschenberg, (head for basketball), Bev Masters, and Judi Simmons. Of many of the responsibilities to fulfill, these girls put most of the emphasis on the technical skills in leading cheers and promoting school spirit. With the supervision of Mrs. Joan Heer, all this has become true.

Songleading is an enlightening experience. It gives you a chance to express your spirit in a special way. Long, hard hours of work is the most important ingredient in making a good songleader. Experience and imagination also contribute when forming chants and routines. Willingness to accept criticism is perhaps the hardest part of songleading. The one thing we work for is putting on a good performance, and I hope we accomplished this.

FROSH FOOTBALL

The Frosh Football team this year has compiled an outstanding record. Their many wins not only show their great ability on the field--but most important--reveals their honesty and fairness in true "Falcon spirit." Next year they will doubtless help to make great J.V. and Varsity teams. The biggest reason being they haven't lost a game in the last two years.

CROSS- COUNTRY

The canal bank. . . to the second bridge and back. . . sprints. . . bleachers! These elements plus sheer intestinal fortitude combined to form one of the greatest cross-country years that A.H.S. has ever seen. Much gratitude goes to Mr. McCune the staunch leader, and to each member of the team from the "Funny-Freshmen" and "Super Sophomores", to the "Jogging-Juniors" and "Speedy-Seniors" for representing A.H.S. in harsh competition.

MEMBERS: (top picture) First row: Ed Boyd, Steve Perry, Stan Johnston, Mark Ostrem, Clearance Beard, Donald Siegel, David Stephens, Ken West, Charles Blass, Second row: Chris Owen, Paul McCurry, Sandy Chesney, David Heath, George Gunderson, John Gardener, Bob Gonzales, Tony Webb. CROWN EVERY MOMENT . . .

. . . was the theme chosen by this year's GREAT Senior Class for Football Homecoming, 1968-1969. Homecoming was a great success due to the enormous amount of effort and co-operation put in by the four classes. Three lovely senior girls were chosen to vie for the Homecoming Crown. The crowd was filled with suspense as Miss Kathy Mancebo was crowned Homecoming Queen for 1968-1969 and was presented with a bouquet of roses from her escort, Mr. Jim Fanconi. The other two girls competing for this honor were Miss Debbie Parriera, escorted by Mr. Steve Schmidt, and Miss Marcine Hughes, escorted by Mr. Robert Naldi.

JUNIOR ATTENDANT: Miss Charlene Norby
Escort: Mr. John Souza

SOPHOMORE ATTENDANT: Miss Cathy Childers
Escort: Mr. Art Fanconi

FRESHMAN ATTENDANT: Miss Shirley Norby
Escort: Mr. Wally Southwick

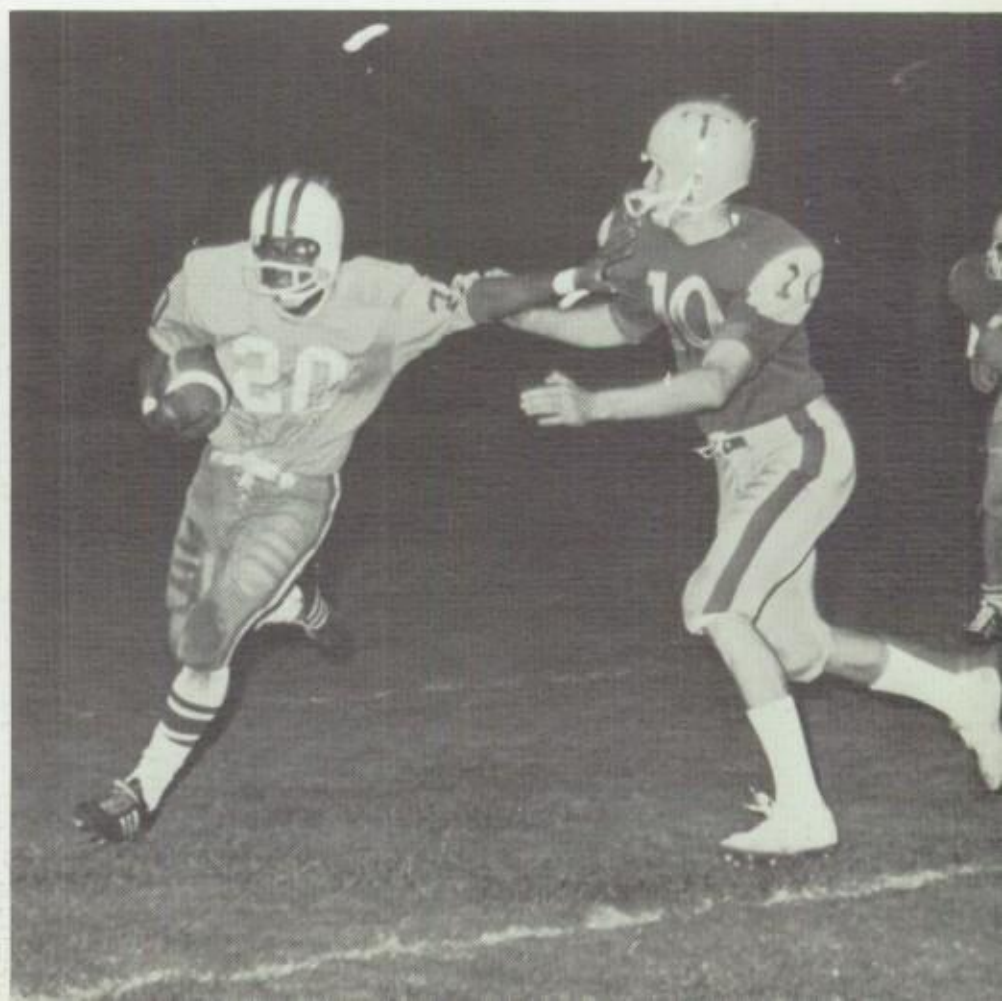

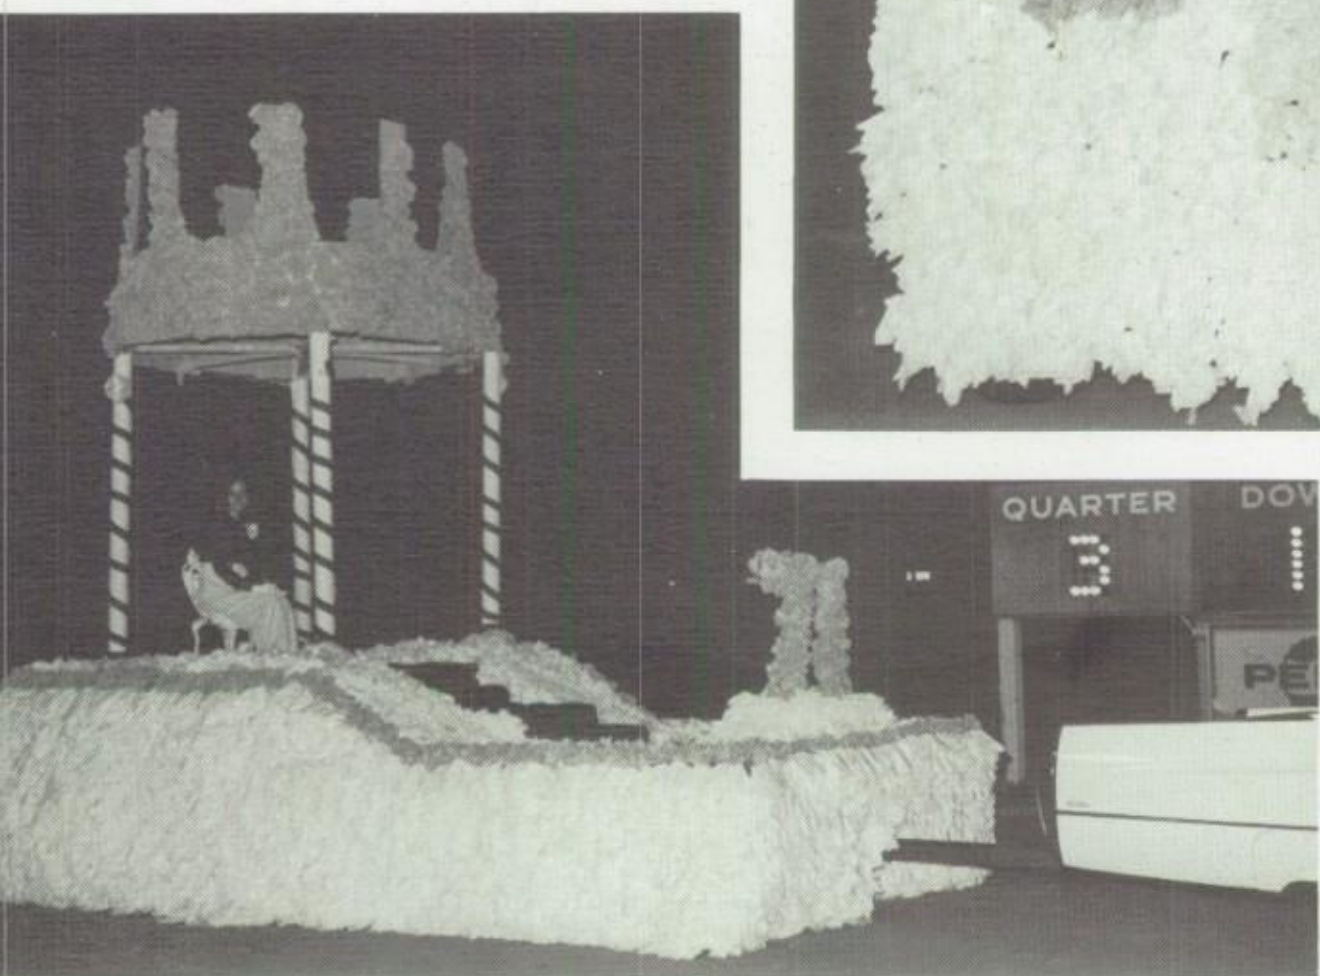

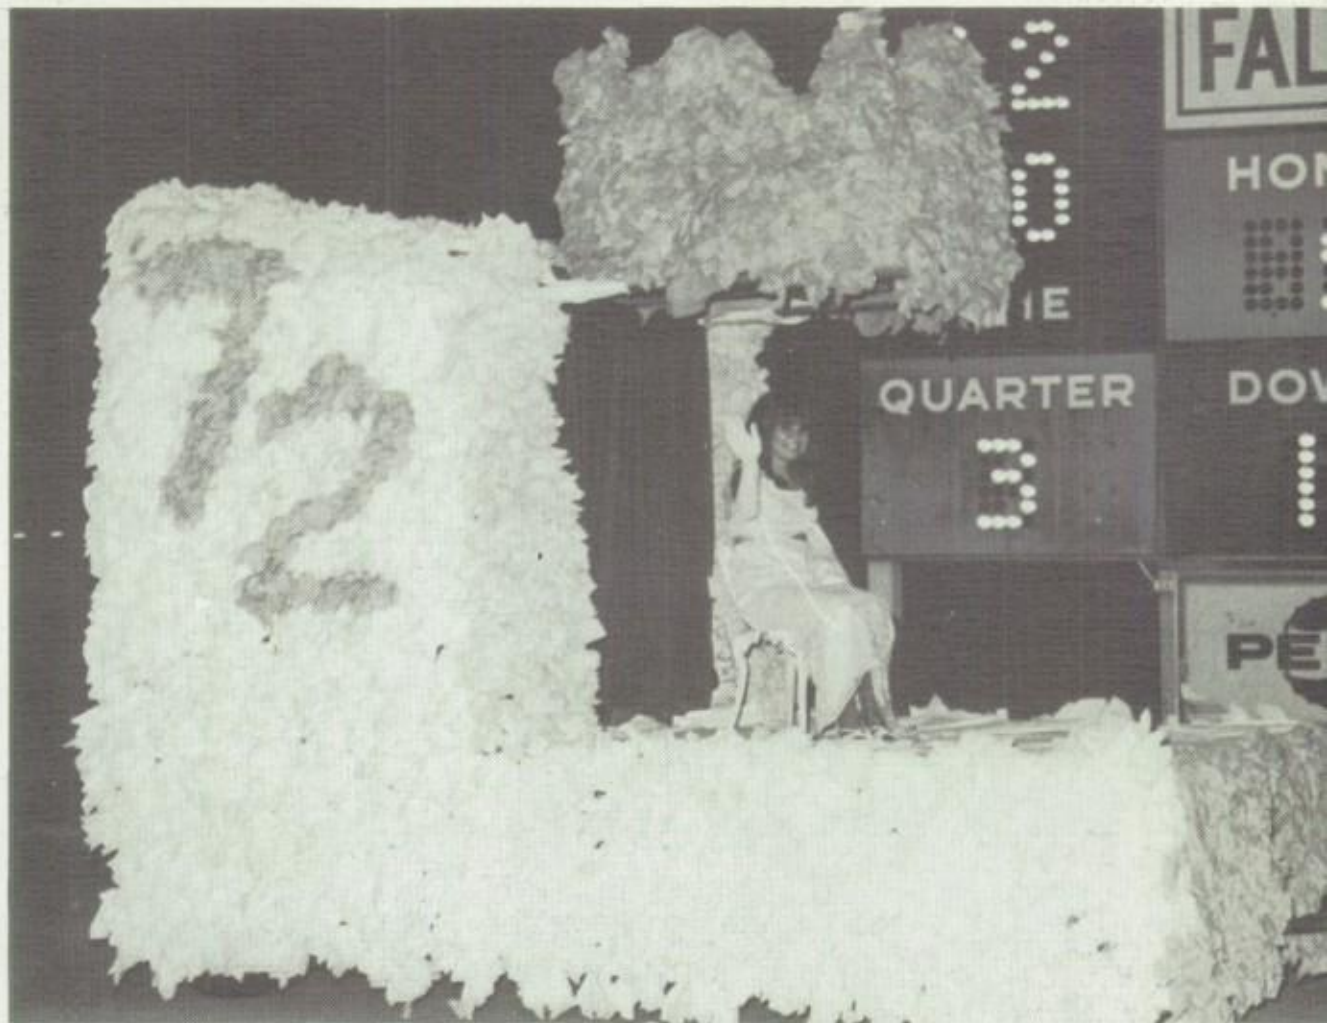

Each year from the Junior, Sophomore, and Freshman classes, a girl is picked by the football players to serve as Homecoming attendants. The Junior Attendant was Miss Charlene Norby, escorted by Mr. John Souza. The Sophomore Attendant was Miss Cathy Childers escorted by Mr. Art Fanconi. The Freshman Attendant was Miss Shirley Norby escorted by Mr. Wally Southwick.

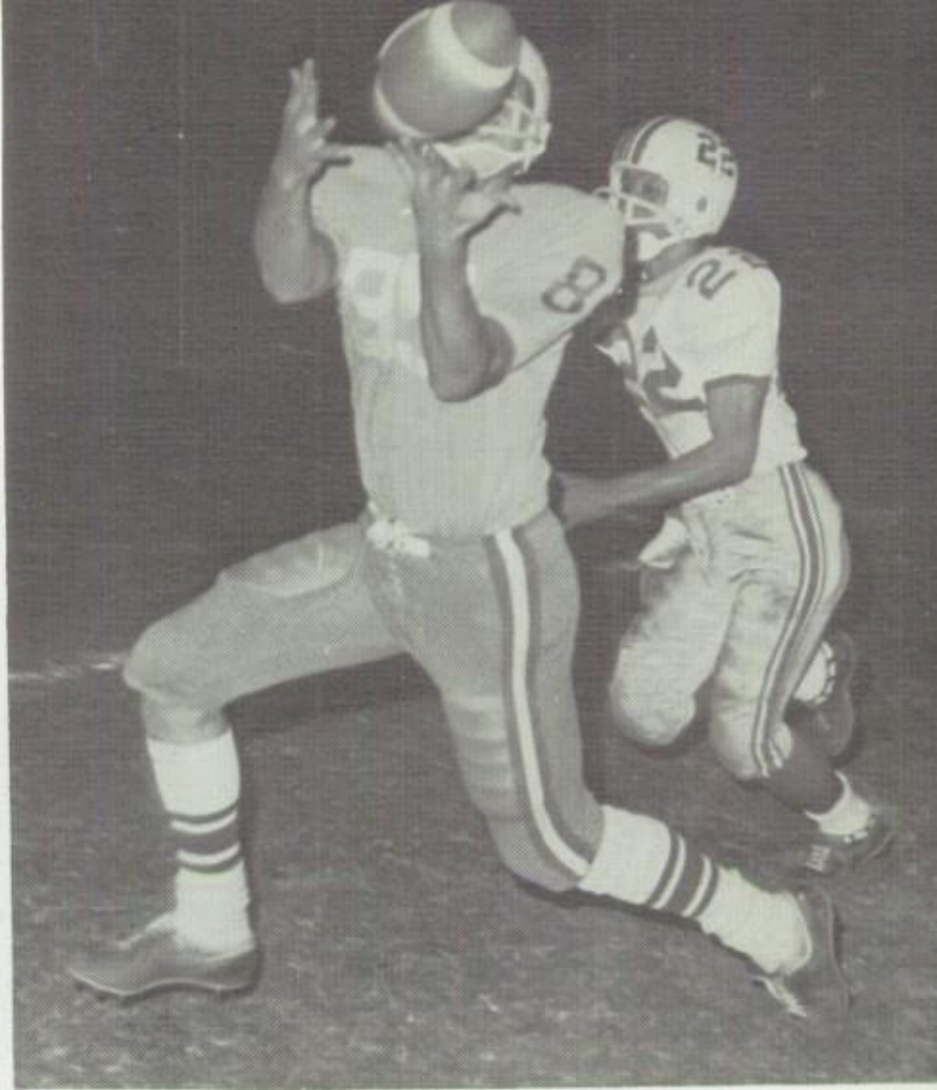

An exciting part of Homecoming each year is the Float Competition. Weeks beforehand every class is involved in their secret plans for a Homecoming Float. A lot of excitement and class spirit is generated at this time because each class wants to have the winning float. This year the victorious winner was the Class of '69. The Sophomores followed them with second place. Receiving third place were the Juniors, and fourth place were the Freshmen.

The sound of many yelling voices. . . The cheer as a touchdown is scored. . . The spirit of the school in motion. . . All in all, the background of the cheerleaders. . . The sight of a dance being put together. . . The heartbreaks when something falls through. . . But then, the eventual joy at the sight of the final decorations. . . Finally, the spreading of spirit throughout the school. . .

Kneeling: Charles Loofbourrow, Mike Goodman, Danny Folkern, Dallas Shilkette, Charles Gregory. Standing: John Lambert, David Johnson, Ken Edwards, William Spangler, Larry Rosenwinke, Donald Barker.

The Cadet Corps, starting the year with only three cadets, has grown to two squads. The Cadets, a great help at the football games, received a statement of appreciation from Mr. King for the contribution to the school. John Lambert is responsible for starting the cadet corps here this year, with a great deal of help from Mr. Kammerer. Charles Loofbourrow, second in command, plays an important role as he aids in the direction of the cadets.

"AND THE BAND PLAYED ON . . ."

The Atwater Falcon Band extended its great tradition this year as it boldly stepped off to put on incomparably fabulous half-time shows with a style unique when compared to all others. The band's pride was reflected in the originality of its new uniforms. . . geared to the likings of all.

Under the skillful direction of Mr. William Schnieder, the Falcon Band made everyone proud of them as they made a brilliant showing in Long Beach as well as in all endeavors undertaken.

They were determined and they were successful in attaining every goal.

GIRLS ATHLETIC ASSOCIATION

Girls Athletic Association one of the most "active" groups at Watwater High. They participate in all sports . . . including the rough ones- football (hike!), hockey (oh, the pain!) and basketball (dribble! dribble!).

There are many broken legs, bruised knees, sprained ankles and injured. . . but in the "long run", the girls enjoy the strenuous activities.

One of our school's most enterprising young groups is the Talon Staff. Because of this organization, students throughout the school keep informed of activities happening around the school, while the staff learn the basic fundamentals of journalism. The largest indoor banquet in the history of Atwater, California was held December 2, 1968 in Falcon Hall in honor of the AHS Football and Cross-Country Teams. Four hundred and forty Deep-Pit Barbeque dinners were served by the "S" Club Girls, and 470 players and fans heard the coaches speeches and saw Head Coach Frank Castro FALCON HIGH LIGHT movie.

Stanford University's Head Coach, John Ralston, was guest speaker. He was assisted by John "Bo" Resch, who is a former Washington State fullback.

Lion Banquet Chairman, Larry Wentz, and Lion President, Dr. E. W. Bizzini, gave personal contributions totaling \$200 in support of advance press releases and speaker's fees.

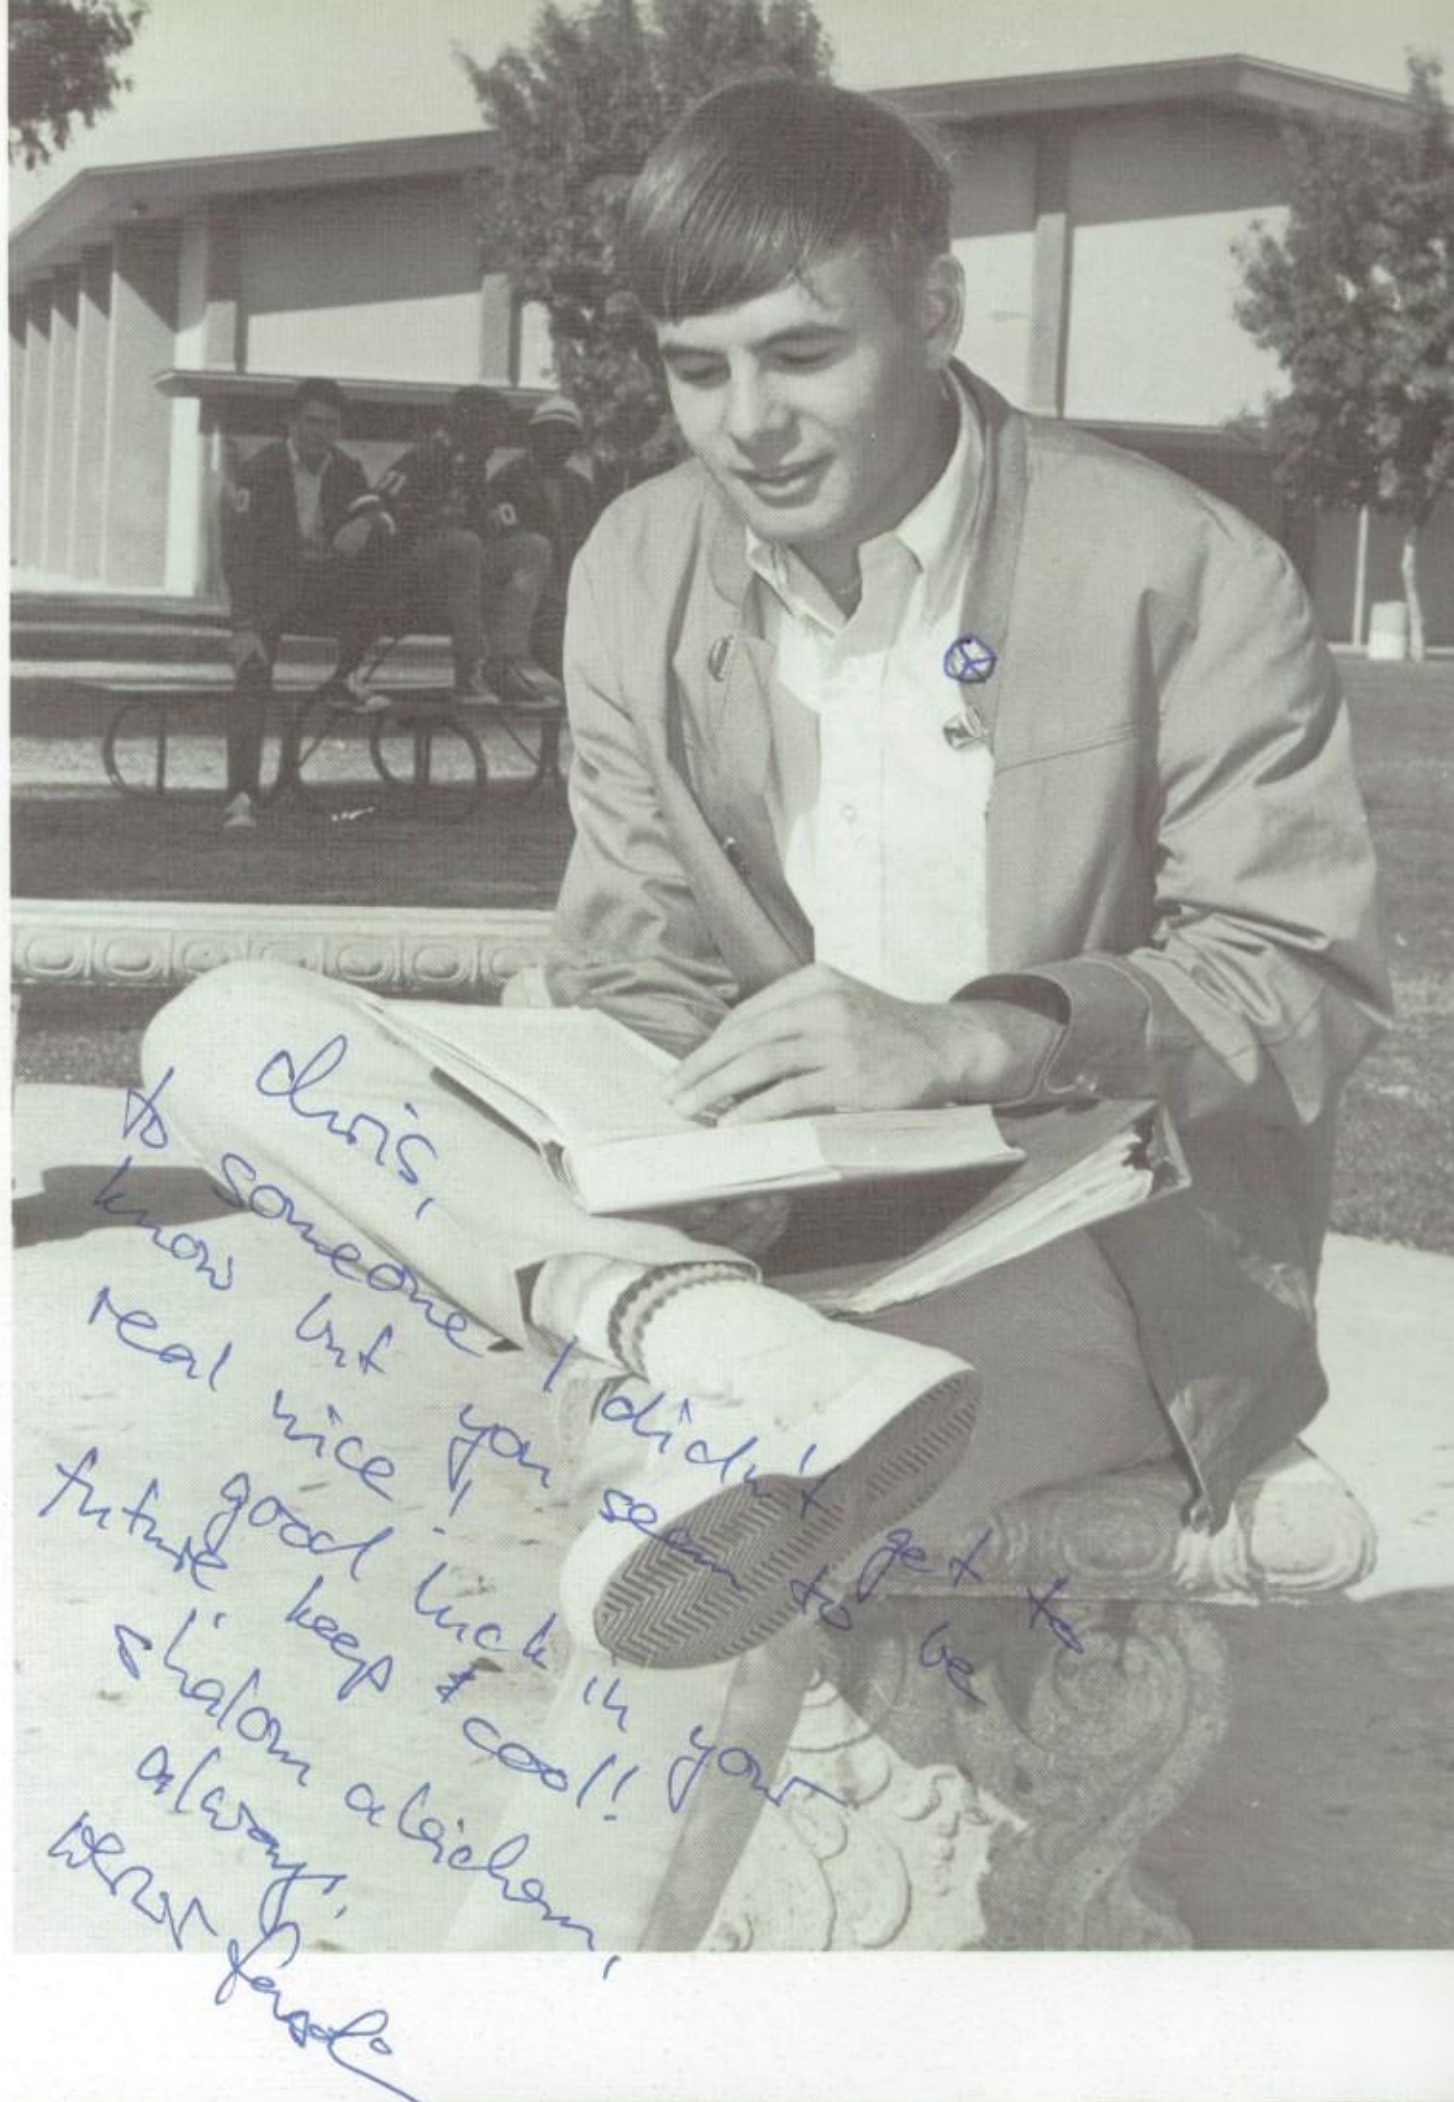

The Atwater-Winton Lion's Club, as banquet sponsors, added a gift of \$207 to make up the difference in banquet expenses. The total banquet expense was over \$800.

EXCHANGE STUDENT

Werner Fasolin, 18, is this year's International Christian Youth Exchange student. Werner was associated with this program in Othsmarsingen, Switzerland, near Zurich. Werner expresses his being like an agent for international peace and understanding quite readily and wishes, in the future, to carry on these important goals in some peace-corps type of activity. Werner really enjoys people and enjoys talking to them and therefore would like to teach someday.

Werner likes going to A.H.S. He says, "It's groovy!"

"Deutscher Verein" is one of the active organizations of Atwater High. The purpose of the club is to encourage and promote interest in Germany, its language, and culture. The members of German Club eagerly await the Foreign Language Christmas party each year, where they play an active role.

SPANISH CLUB

Spanish Club got off to a good start this year studying, speaking, and reading. Mr. Barboza, sponsor, will take the club on to better things, and better places. They are really proud of their party that they put on at Christmas. They are also planning to take a trip to Mexico at Easter.

FRENCH CLUB

This year's French Club, sponsored by Miss Stafford, is having great fun along with its serious activities. Their biggest money-making project is sponsoring the Valentine's dance. In February the French Club plans another trip to Stockton's University of the Pacific to see a real French play. At some French Club meetings a colored film on France or a speaker who has been to France is present to help bring out the purpose of the club--learning about the places and people of France.

It is said that the supreme sacrifice is to
die for one's country. But surely, it is a
far greater sacrifice to die so young. For
this reason we dedicate this yearbook to
"Peace on Earth" and to these four men who
made the supreme sacrifice:

Billy McDougal
1947-1968
Class of 1965

Robert Lee Barker
1948-1968
Class of 1965

Walter James Seidel
1946-1968
Class of 1964

Richard Havel
1949-1968
Class of 1967

Let there be peace on earth and let it begin with thee. . .

The Christmas season, in all of its wintry splendor, began at 9:00 p.m., December 14, in Falcon Hall. The theme of a most successful and enjoyable dance was "Icicle Escapade". Breaking away from the traditional orchestra, the Crystal Syphon performed, sweeping dancers away into a world of psychedelic rock.

BOARD OF CONTROL

The Board of Control is the student government organization of Atwater High. This active body of students is made up of officers elected at the end of each school year. Each class is represented, and all meetings are open to the student body. There is a lot of work and responsibility involved with holding an office in this organization.

A MESSAGE FROM THE PRESIDENT

The school year of 1968-69 has been a provocative experience. We have had our ups and downs, seasoned with a great deal of mediocrity. We would like to learn from and then forget our failures, and to remember our triumphs. It has been an experience of a lifetime. I have enjoyed saying the pledge for you daily and presiding over the student government. This school has many good points and the classes to come make it an even better school with a little effort.

voice exercises. . .performances- sore throats are all an accepted part of an Atwater High Choir member's life. Under the illustrious direction of the music director, Mr. William Schneider, the Choir has achieved it's ultimate goal of harmonious music presented with showmanship. Surely, this year we are all proud of this fine Choir.

The Basketball Homecoming Dance took place on Valentine's Day, February 14, after a Varsity victory over

the Tracy Bulldogs. A psychedelic light show was provided by Aurora, known around campus as Mrs. Castro and her students. Music was supplied by Crazy Horse. Carol Rueschenberg was crowned queen and reigned with the first king elected at Atwater High, Jim Brodie. Senior attendants, Bev Masters and Ricky Williams, were escorted by king candidates, Richard Harris and Rob Olzack. It proved a successful and enjoyable evening.

CALIFORNIA SCHOLARSHIP FEDERATION

The California Scholarship Federation, commonly called C.S.F., is composed of members selected each semester on the basis of scholastic achievement. The club is primarily an honor society, however it also operates a bookstore in Falcon Hall. For the fall semester several activities were planned, including a field trip to an experimental high school, which proves to be very informative.
